

TRANSLUCENT WHITE
24/7 Concealed Vision

Description

Standard perforated privacy window film which appears translucent white from both sides. It provides good one-way vision privacy during daytime and helps to obscure the view into buildings at night (with the right internal lighting - see main image).

Face film	Translucent white polymeric PVC
Thickness	7.1 mil +/- 0.4 mil
Hole pattern	30% perforated; 0.06" diameter holes
Adhesive	Transparent, semi-permanent
Protective release liner	Silicone coated paper

Min appl temp **39°F.**

Installation Recommendations

For vertical installation on standard glass. Apply using a dry application method. Glass must be thoroughly cleaned beforehand with soap and water. Rinse and dry glass after cleaning. Not to be applied to fresh paint or ink, polycarbonate, rubber, plastic moldings and certain PVCs. In case of doubt, please test prior to final application. This product is not recommended for use around a sharp angle where there is a limited area either side of the angle. The film must not touch the rubber window molding. Not to be washed within 24 hours of application.

Solar Properties

Data calculated based on film applied to clear glass 0.12" thick.

Visible light transmission	40%
Visible light reflection, exterior	36%
Visible light reflection, interior	33%
UV transmission	21%
Solar energy transmission	39%
Solar energy reflection	30%
Solar energy absorption (total)	31%
Glare reduction (relative %)	70%
g value	0.49
Shading coefficient (SC)	0.56

Roll Sizes Available

33ft (length) x 54Inch (width)
164ft (length) x 54Inch (width)

(*) A low level of privacy will be given if there is more light on the inside than on the outside of the window, e.g. if the inside is illuminated at night.

* Not recommended for use on glass with coatings such as anti-reflective, self-cleaning and scratch-resistance

Maintenance care

Wash with soapy water. Gently wipe with lint cloth or soft bristled brush to remove grease and dirt. Take particular care not to damage the edges and corners. Wash off suds and leave to dry.
